

Please follow the steps below to set up your AWS Educate account and receive \$100 in AWS Credit.

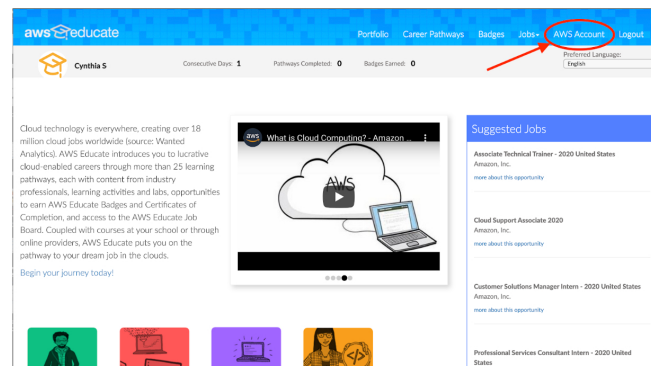

Create an AWS Educate Account

1. Go to the Resources tab in the left of the classroom and click on the AWS Credits link.

2. Follow the on-screen instructions to apply.
3. Check for an email from AWS Educate Support (this may go to your spam or promotions folder). Verify your email address and review the **AWS Educate program terms and conditions**.
4. After agreeing, you'll receive another email from AWS Support. Use the link to open the Student Portal.
5. Set a password for your AWS Educate Account.
6. Click on **"AWS Account"** in the top right corner of your AWS Educate home page.

7. Choose **Create Starter Account**. On the next screen, click **AWS Educate Starter Account**.

8. Once you accept the terms and conditions, you will have access to the AWS Console through the AWS Educate Starter Account pre-loaded with USD\$100.

Welcome to your AWS Educate Account

AWS Educate provides you with access to a wide variety of AWS Services for you to get your hands on and build on AWS. To get started, click on the AWS Console button to log in to your AWS console.

Please read the FAQ below to help you get started on your Starter Account.
